Gentlemen:

A list of the fees paid by patients to the Dispensary is given below. These fees are for those who are able to pay something for their care. All who cannot pay receive the same treatments without charge.

There is a registration fee of .25 for three months.

For day visits .10, for evening visits .25

Small laboratory fees are charged for necessary tests.

For X-Ray examination there is a fee of $2.00, which may include one or more plates or fluoroscopes as the case may require.

The fee for complete Gall Bladder examination is $3.00 and for each Heliotherapy treatment .25.

There is a cost charge for drugs. A limited number of these are given out by the Dispensary, the rest can be procured from Laue-Davis Co. at cost or if the patient is unable to pay anything, free of charge.

There is also a small fee charged for materials used in the various clinics.

Very truly yours,
